

STB Finance Docket No. 35087

Date: 8/25/08

Comments must be submitted by September 30, 2008.

THE INCREASED TRAFFIC THRU SEHENERVILLE WOULD BE A HAZARD TO OUR SAFETY. THE TRUCKS ALSO PASS THRU WET LANDS AND THE INCREASED TRAFFIC WOULD NOT BE CONDUCIVE TO THE WET LANDS. THE DISRUPTION CAUSED BY THIS INCREASED TRAFFIC WILL BE A LIABILITY. JUDGING FROM PAST EXPERIENCE THE PROPOSED INCREASE IN TRAFFIC WILL ACTUALLY BE MORE THAN CNN ADMITS TO.
