Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-29-08

Comments must be submitted by September 30, 2008.

It is difficult for me to believe that your Board would even consider approving a sale that would benefit the CNR and cost American taxpayers billions of dollars in infrastructure repairs and improvements along with lowering their standards of living.

Please consider the hardships that you would cause in the lives of residents living in the areas near these railroad crossings on a daily basis.

Thank you -

Mary Lou Tomaszewski
