Re: Canadian National Railway Company and  
Grand Trunk Corporation-Control-EJ&E  
West Company  
(STB Finance Docket No. 35087)

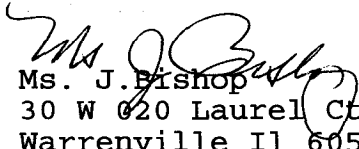

Dear Ms. Johnson-Bell:

As a resident of Warrenville Illinois for nearly 10 years, I've been paying close attention to the proposed purchase of the EJ&E Railroad by Canadian National(CN). I know that the City of Warrenville has met with CN representatives three times and has conveyed resident concerns, particularly by those living so close to the tracks.

We have been waiting for years for a lasting effective quiet zone. I hear the train horns all night long particularly on Saturday and Sunday nights. Will the city have to start all over the process of trying to establish a quiet zone?

I oppose this transaction. I hope that Surface Transportation Board considers the severe impacts on local residents when evaluating this transaction.

Sincerely,
