I work at Gray's Lake. I have to cross the EJ&E railroad tracks three different times at three different locations and right now, figuring that I get stopped at least twice a week, this now, in the future, I can be stopped every blessed day for more than one railroad crossing. It is going to be a disaster for people around Gray's Lake and Lake Zurich and Midlothia, it's just going to be a mess, traffic will be just so backed up it'll be ridiculous. I'd appreciate it if you'd vote no for this. Thank you
