

RE: Finance Docket N° 34797

Dear Ms. Johnson-Ball ^{EI-2278}

I am writing to let you know that I am greatly opposed to Transrail operating at the Olin Chemical Site

The neighborhoods surrounding the site are densely populated & would certainly be impacted by the increased traffic to & from the Olin Site. The noise & potential odors would also negatively affect these areas. Woburn already has its share of landfills & contaminated sites (2 superfund site) we must protect our area from additional contamination! →

A Note From...

Please help put an
end to this proposal
between Transrail / Olin.

I appreciate your
help in this matter

Sincerely,

Laura Jean
Woburn Resident
