Joliet, Ill. 60435
Sept. 26, 2008

Dear Phyllis Johnson-Ball:

Just want to let you know
that I and many others in the
Joliet, Ill. area are very much
concerned, - and we are against
the CN acquisition of the E. J. & E.
Railway Line.

We all hope and pray that
this will not go thru. Traffic is
already bad enough.

I am writing in behalf of
Joliet and surrounding areas
in Illinois and Indiana.

Please do not let this go thru.

Thank you!

Respectfully yours,
Ken Buldak
