

Environmental Impact Statement

STB Finance Docket No. 35087

Comments must be submitted by September 30, 2008.

AS A RESIDENT OF FRANKFORT, I object
TO THE EIS/E/CN Acquisition. I BELIEVE
THE DRAFT EIS DID NOT ADEQUATELY ASSESS
THE IMPACT OF AT GRADE TRAIN DELAYS IN
OUR COMMUNITY. FURTHER, THE NOISE AND
VIBRATION STUDIES SEEM TO FALL SHORT
ON THE IMPACT AREA IDENTIFICATION. FINALLY,
THE TRANSPORTATION OF ADDITIONAL HAZARDOUS
WASTE IS OF GREAT CONCERN.
