

Sept. 15, 2008
 Mr. P. Gethmann-Ball

In response to the
 effort to increase traffic
 on State line can to be used
 to CA freight. I do not want
 this bill, legislation measure
 or any such to pass in
 my town of FRANKFORD IL.
 If we will not keep our towns, our
 citizens or our state we will
 not be helped, improved or
 otherwise be positive impact
 by this attempt to poll our
 community. I do not agree with
 the bill prepared or any
 thing that suggests it would be
 a good thing for the City of Frankfurt
 or the State of Illinois

Respect this pen!

Mrs. Valance Weather
