Dear Mr. Navecky:

I would like to express my concerns over the proposed Great Lakes Basin Transportation, LLC rail line project. Docket # 35952. I oppose the project and ask the Surface Transportation Board to deny the proposal. My concerns are:

A proposed alternative route has been made by
Bob Caffman, President of RAILED of Porter County, IN.

I am endorsing the "San Pierre" route which
he has submitted to you (STB). I am highly
in favor of this proposed route. This new route only
uses 8.6 mi. of new land for the rail line & the remainder
is existing rail lines which could be widened if needed.

Please, Consider this route.

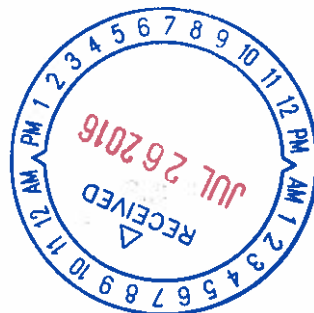

Thank you
