Title	Business			Dept	
Address	15943 Low				
Address 2					
City	Harvey	State	IL	Zip	60426

Transcript:

Beuase the railroad ties our area up so bad, we don't do business in the South Holland area, we go to other areas that are easier to get to. So if they want to keep the business in our area, they need to do something so the trains don't always tie you up for half an hour, 45 minutes to an hour and stop you from going in that direction. Thank you.
