IT is Hard To beleave How selfich
The Land owners Are In that Area
Are. The Gentleman that owned
55,000 Acres that owned Ashland
said He wouldnt sell Any Land so more
people could Live there.

It is Hard to believe that A strip
of Land 200 Feet wide would could
hurt much of anything.

IT would Be really nice if There
were some Jobs For the people that
Live Here. The only way our children
can stay Here is if There Jobs For them
when they get out of school. I think we should
Build the rail Road.
