Dear Mr. Navecky:

I would like to express my concerns over the proposed Great Lakes Basin Transportation, LLC rail line project. Docket # FD-35952. I oppose the project and ask the Surface Transportation Board to deny the proposal. My concerns are:

Our rural way of life is under threat!
I am scared that this railway will cause
a major disruption to schools, 1st responders
medical services, and travel disruptions. Noise
and vibration concerns me as well.
How are they going to account for this?
Please deny this proposal and help maintain
our way of life. We should not be
the dumping ground for big city ambitions.
