RE: STB Finance Docket No. 36095, Palmetto Railways-Construction and Operation Exemption-in Berkeley County, South Carolina; Preliminary Consultation

Ms. Wood,

Thank you for contacting the Muscogee (Creek) Nation concerning the above referenced project. This project is located within our historic area of interest and is of importance to us. We appreciate that you are contacting us early on in the process as this aids in getting our concerns to you. First, we would like to state that the Muscogee (Creek) Nation would like to participate in all aspects of the consultation process which includes government-to-government consultation. Please continue to send information concerning the project to us through email, section106@mcn-nsn.gov.

Also, we were wondering if any archaeological surveys had been conducted across the area for the proposed railway construction? Has the South Carolina SHPO been contacted concerning surveys within the area? Our office has to have an archaeological survey of the area to make our determination.

Again, we appreciate being contacted concerning this project. Should further information or comment be needed, please do not hesitate to contact me at (918) 732-7852 or by email at lwendt@mcn-nsn.gov.

Regards,
LeeAnne Wendt
