

Kenneth Blodgett,

I AM Sending This Letter
IN OPPOSITION to the GLB Railroad
Project. I feel like a hand
written copy is best for this letter.

I Am Sure you have received
Many Letters opposing the GLB
Railroad, But I Beg of you to
Continue Reading. Your Railroad
will SPLIT IN HALF the Rivers
Edge Campground. (Shirland, IL)

It is a Quiet Place to Spend
your weekends, and they have a
Long, Deep rooted Family history.
Pretend some of your family or
friends spend their time there,
then imagine it gone. A nice quiet
Green Place to enjoy, But now
all you will hear are the Money
Trains.
