Dear Mr. Navecky:

I would like to express my concerns over the proposed Great Lakes Basin Transportation, LLC rail line project. Docket # FD-35952. I oppose the project and ask the Surface Transportation Board to deny the proposal. My concerns are:

This proposed railway or railways will destroy a forest in Mission Township, LaSalle County, I.L. It is a vital resource habitat for numerous animals in that area. This proposed railways will cause destructive noise pollution and habitat destruction. Additionally, it will create a barrier for natural game trails and water drainage.
