I'm calling in opposition to the CN acquisition of the EJ&E Railroad. I live on the north side of a railroad track and I have to go to St. Joe's Hospital for cancer treatments and if these trains are allowed to, if this is, this acquisition is allowed to be done I will, it will impede my driving to and from St. Joe's Hospital in Joliet. Plus the fact that I'm a 25 1/2 year Board member on the Plainfield School Board and we have over 200 buses that run daily to our schools and they all have to cross tracks, the 17 tracks that we have in Plainfield. Our students will never get to school on time, plus the fact that some will have to get up at 5:30 in the morning to be able to get to school on time. I think it's a disgrace that this could be allowed to happen and not only that, we have the fire fighters, our fire equipment, and our police, plus our hospitals on the other side of the tracks that we will just be not able to reach. Please don't let this happen, I'm 82 years old, I cannot believe that anybody in their right mind would allow this to happen. Thank you. Bye
