Good morning, Mr. Navecky –

Recently, the Office of Environmental Analysis issued their Final Environmental Assessment for CSX Transportation, Inc. and Louisville & Indiana Railroad Company, Inc. (Docket No. FD 35523). Congressman Todd Young was recently made aware of the assessment, and has some follow up questions specifically regarding the effects to infrastructure in the communities of the 9th District of Indiana.

Would it be possible for you, or a member of your team, to provide additional information and guidance on this issue? The Congressman is very much interested in alleviating some infrastructure dilemmas for his constituents. Any help you can provide would be greatly appreciated.

Please feel free to email me, or call our office at 202-225-5315.

Thanks!

Nancy
