Nina Warner, 401 Second Street, Stewardson IL 62463. I am thoroughly opposed to the acquisition by the Canadian National Railway Company to acquire Elgon Joliet and Eastern EJ&E West Company. Many people rely on rail transportation from New Orleans up to Chicago. Many of us have family along that route. I also have a son who attends school in Carbondale and uses that transportation frequently to be able to come home. My friends and I have also enjoyed taking the train up to Chicago to enjoy cultural opportunities that do not exist in rural Illinois. I live 12 miles from Effingham and I would like to go on record as being opposed. Am wondering why Amtrak would be willing to sell such a widely used form of transportation and area. Thank you. Bye.
