How will CN's proposed acquisition of the EJ&E impact you?

I have children going to
L2 HS. The delays in the
school bus, transportation,
& danger crossing the tracks
will be greatly increased
pollution, property values,
delays in emergency vehicles
& getting through town
on a daily basis will be
outrageous due to the
congestion. It is an extremely
long wait to get across
with the amount of trains we
have now!
