Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date:

Comments must be submitted by September 30, 2008.

This train would do nothing but be a
disadvantage to our neighborhood and neighboring
communities. I am a student and Barrington
High School and as a student would have to cross
the train tracks. The train will cause student
to have to wait to get to school. Testing
is disrupted and will also cause distraction
in our town making everyday affairs harder.
The B. & E. is a good idea. Please don't
do it.
