To Whom It may Concern

I'm a taxpayer & I believe
this Draft Environmental Impact
Statement concerning ES & E Railway
proposal is absurd.

Traffic between Route 30 / Wolfe
Laraway
would increase 100%. School & School buses
will be detained; Congestion would be
so great; It would be impossible to
use. He should not have to pay the
expense of this ridiculous proposal!

I am against this & will not
accept either program
