As a person who does much of my grocery shopping in downtown barrington, get my hair cut in downtown barrington. Much of my social life takes place in downtown barrington, so I am very much AGAINST the takeover of the elgin, joliet, and Eastern Railway Company. Not only will this add to an already busy and hectic downtown barrington. But it will bar the way for emergency vehicles for a good part of the day. This and other things would lead to a very negative effect upon the economy of downtown barrington.
