Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

46 yrs. in our wonderful town of Barrington
IL. will be turned into a waste land; businesses
will collapse & fold, it will be impossible
to travel from one point to the next without
interference and endless waiting in traffic.

Our traffic patterns have already increased
to an impossible situation in our downtown
(Main St. & Rt. 59) greed is a driving force in
our society plaguing us to extremes. I am
concerned for our safety with regards to fire &
911 response considering the 6 RR crossings
in our immediate town. Withing yards of each other
Barrington is a town of significance and
this proposal will simply cripple us.
