Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

The additional blocking of main road will devastate this town. To allow that for the financial benefit of a non-US company is deplorable. We will suffer, they reap the profits.

With proper mitigation, bridges, etc, it could work for all parties, but the greed of CN makes that unworkable.

To put our high schoolers at risk, on the wrong side of the tracks from the police, fire, or ambulance would be a shocking decision.
