Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 9-25-08

Comments must be submitted by September 30, 2008.

Dear Ms. Johnson-Ball:

As a 35 year resident of Frankfort,
I have seen it grow from a "farm-town"
to part of suburbia. The draft EIS only
projects data out to 2015, and not 2030.

Take a look at your aerial maps and
see how many farms between Park Forest and
Joliet are ready to be sub-divided. Using only
the data to 2015 is short-sighted and plays
into the CN's hands.

Please review this aspect of your report
and remember how many local citizens this
matter affects. I served during the Korean con-
flict and I am somewhat bemused that a
Canadian Corporation is attempting to take adven-
ture of our country in this manner.
