Subject

Regarding the Canadian National
Purchase of the EJ&E

I strongly approve the merger of the Canadian National Railroad and the Elgin Joliet & Eastern Railroad and would like to make this statement on record. Is there a form that I can fill out? Is there a Email address I can notify?

I sense there is a lot of opposition to this in the affluent downtown Barrington area but the rest of the region will strongly benefit from this sale.

If there is a forum that people can address their concerns via Email and not attending a special meeting packed with opposition you should notify the Daily Herald in Arlington Heights.
