

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 8-28-08

To Whom It May Concern:

The damage this rail load will cause to our community is enormous!!!

You will no doubt endanger many children and seniors, and everyone in between on a daily basis. Children to and from school and seniors to doctors and hospitals will need crossing on one to three tracks.

Our water and greenery will also have to be treated and watched also!

Where are our politicians, EPA, and other so-called protectors???
