Title	Business			Dept	
Address	3245 Thomas Hickey Drive				
Address 2					
City	Joliet		State	IL	Zip 60431

Transcript:

I am against it, because we already have a traffic problem when we go through Plainfield and Joliet, and trains running across that could get to 42 a day at 10,000 feet in length, I don't think would alleviate the problem here, it would make it worse. I am opposed to that, thank you.
