History: This message has been replied to.

Is this Catherine Glidden? Good to hear from you. Looks like you had a name change.

All is well on the PMRE project. Some field work was done in spring 2013, and we will have a draft report to send to you and Judy Bittner in a couple of weeks. The remaining field work on Segment 2 is expected to be completed in the fall. We originally planned to do it this past spring, but did not have all of the necessary access permissions or land acquisition in place. HDR has begun work on the draft IDSHD report, which is planned for distribution in the fall for review, with finalization by the end of the year.

On the NRE project, you should have heard from Tracie Krauthoefer (HDR) recently about scheduling the annual meeting required by the PA.

Hope your heat wave breaks soon. We have been having an unusually pleasant summer – many sunny days with temperatures in the low 70s. Very nice. Barb

Subject: Hello

Hi Barbara,

I haven't heard from you in while and thought I'd check in me you. Anything new, re. the Port MacKenzie Rail Extension Project?

Hope you are well. We are sweltering in the heat here..

-Cathy

Subject: Draft Dog Sledding Historic District Workshop Summary and Implementation Plan

Hello,

The Alaska Railroad recently completed the Port MacKenzie Rail Extension (PMRE) Iditarod Dog Sledding Historic District (IDSHD) Workshop series. In accordance with the PMRE Project Programmatic Agreement (PA; Stipulation V) and Mitigation Measures 92 and 93 of the final decision issued by the Surface Transportation Board in November 2011 (Docket No. FD 35095), we are pleased to provide a copy of the Draft Iditarod Dog Sledding Historic District Workshop Summary and Implementation Plan to initiate the required 30 day review and comment period. We will also send a hard copy of the draft report.

Separate e-mails will be sent to the individuals and organizations that participated in the IDSHD workshops and the remaining Concurring Parties to the PA to notify them of the availability of the draft plan on the project website. Materials will be posted on the Project website (<http://www.portmacrail.com/library.html>) by tomorrow.

If you have questions or comments on the draft plan, please contact Brian Lindamood at (907) 265-3095, or by email at lindamood@akrr.com. You may also contact Barbara Hotchkin at (907) 265-2313 or hotchkinb@akrr.com. Please provide your comments by **April 2, 2012**.

Thank you,

Barb
