Address 21877 Vesper Court

Address 2

City Deer Park

State IL Zip 60010

Transcript:

I have been reading about this acquisition and I would say that STB should say no to CN for everything that I have read so far--I am not agreeing with. I don't think that we want the increased freight traffic, if there is any impact on the taxpayers, I say no to that too. Thank you very much for allowing me to make this recording and vote NO.
