Re: Olin Property, Wilmington, Massachusetts

Dear Ms. Johnson Ball:

Please do not approve the transrail site in Wilmington, MA. This is a Superfund Contaminated Site, our wells have been shut down as a result, the neighboring town (Woburn, MA) was featured in a Motion picture (A Civil Action) about contamination. Wilmington and Woburn have seen their fair share of contamination and should not be subjected to further contamination. The former Olin Chemical Site should instead be cleaned up for future generations. Thank you.

PLEASE HELP OUR TOWN!!

Sincerely,

Daniel Sarno
