Re: STB docket 35087

What doesn't need anything else, since it's almost impossible to get in or out of city. We have 4 bridges that left up, stopping traffic, the streets are in need of repair, the lane markings don't exist.

Developers were let run wild developing "Cookie cutter" houses. This Canadian RR if allowed would be passing through all new developments. CHRR has offered various restrictions that we know are just TALK.

Mayer Daley - Mr Chicago wants to vacate the train space in His City.

No Canadian RR Please
