

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 8-28-08

THERE ARE NO BENEFITS TO THE BARRINGTON AREA AND MANY SURROUNDING COMMUNITIES FROM THIS PROPOSED TAKEOVER ONLY SERIOUS PROBLEMS. ONE IS THE POTENTIAL FOR LONG DELAYS AT TRR CROSSINGS IN MANY COMMUNITIES.

I'M A HEART PATIENT AND HAVE HAD TO GO TO THE LOCAL ER AT GOOD SHEPARD HOSPITAL TWICE LAST YEAR. I WOULD HAVE DIED IF YOUR PROPOSAL WERE TO GO THROUGH AND A TRAIN WERE PASSING. IF OUR HOUSE WERE ON FIRE & A TRAIN WAS BLOCKING LAKE-COOK ROAD, OUR HOUSE WOULD BURN DOWN. THESE ARE UNACCEPTABLE SITUATIONS
