1 MR. DAILEY: I'm Dayton Dailey. I

2 live in North Barrington.

3 And my concerns are too
4 property values. With the number of
5 trains going through, I'm sure it's going
6 to have an impact on some of the higher
7 priced property values within the
8 Barrington area in the corridor.

9 And the second one is traffic
10 congestion. With the length of trains that
11 they're proposing, all three crossings in
12 Barrington will be stopped at the same
13 time. The congestion because all three
14 will be stopped going from east to west if
15 the number of trains are at 40 or 42,
16 whichever may be, it's going to be almost
17 impossible for commuters going to the
18 expressway from the east side of
19 Barrington, it's going to be a major, major
20 problem. Plus, the emergency vehicles.
21 There's no way around Barrington, there's
22 no way around the tracks, and, again,
23 that's going to cause another major serious
24 problem.
