Sorry to bother you,

But I was scanning the STB website under the Great Lakes Basin Transportation Docket # FD_35952_0 to see if the Wisconsin DATCP's comments have been posted but I can't seem to find them anywhere. They were submitted on June 9th and acknowledged by email from SevernS on the same day.

Perhaps I'm not doing the search properly.

Can you provide me with the Document # for our comments and how to search for it so we can direct others?

Thanks.
