Office of Economics, Environmental Analysis and Administration

RECORD OF TELEPHONE CONVERSATION
Dave Navecky, Section of Environmental Analysis

NAME OF INDIVIDUAL: Otto Rebischke
Knik, Alaska Resident

REPRESENTING: Self

PHONE #: On file

DATE: April 21, 2010

SUBJECT: STB Finance Docket No. 35095 – Alaska Railroad Corporation,
Construction and Operation of a Rail Line Extension to Port
MacKenzie, Alaska - Draft Environmental Impact Statement
Comments

Mr. Rebischke lives at the east end of Threemile Lake and called to voice his opposition to any alternative containing the Big Lake Segment. He noted that the Big Lake Segment would impact more people (e.g., residents) and private property than any other segment under consideration. He added that a Girl Scout camp is located on Threemile Lake and it could be impacted.
