Address	932 Melrose Street				
Address 2					
City	New Lenox	State	IL	Zip	60451

Transcript:

I just want to say that I do oppose the railway acquisition for many more reasons than I can even list here. I just moved out to New Lenox. I've only been here for a few years, and I just think that would be a big problem in the future with all the traffic problems that we have already in the area. Like I said, I have about 10 more reasons, too many to even list here. Thank you. Bye.
