Please refer to Docket No. FD 35952 in all correspondence addressed to the Surface Transportation Board. The comment deadline is June 15, 2016.

I am very much against this railroad
Wanting to come thru Salina Township.
It would ruin our schools, roads
and our drainage in our fields.
We have ditches that take care of
our water. Please stop this coming
through. It would destroy our township.
It would go through farm ground that
makes people living. It would not be
a good thing!
