Surface Transportation Board
Case AB 167-1189-X and related cases
April 17, 2009

By my signature below, I am requesting that the Surface Transportation Board authorize an Environmental Impact Statement for the Harsimus Branch, a transportation, open space, and historic resource in Hudson County. An EIS will help to insure that decisionmakers have the best possible information available to them as decisions are made about the impacts of rail abandonment, immediate and longer term, direct and indirect.
