Transcript:

I'm not sure if I'm supposed to continue my message here so I'll just start. I wanted to register my support for finance docket 35087, the one that involves Canadian National Railway's acquisition of the portion of the EJ&E Railway going on. I'm looking forward as a South Holland resident to have fewer trains and delays in our area, so we wanted to register our support for that. Bye-bye now.
