When will Someone say, Enough!

Taxpayers are told they must agree
to bail out, Freddie Mac; Fannie Mae;
AIG; and at least twenty others.

Now Canadian National R.R. Wants
to buy the E.J. & E. They, a foreign
Country's Carrier want to buy it
to make money. American money
which will go to Canada.

They want us, the U.S. Taxpayers
to pay for the underpasses, the
bridges, the grade crossings, etc.,
which helps them to make money.

They, Canadian National, do not
want to pay for any of these items
which will allow them to make
more money.

Mr. & Mrs. John Bird
21237 Lake View Court
Frankfort, IL 60423-6608

Oh I want to improve
my business, I need pay
for these improve-ments, so k'il.
Make them responsible for
all it takes to allow them to
make more money.

We don't owe Canadian
National any thing.

We the Citizens and taxpayers
of the united states are tired
and feed up with all the
corporations that are screwing
us to tail and true adventures.
Stop the purchase of the
E. J. & E. railroad! We
not good for our country.
