

9/24/08

Dear Mrs. Johnson-Ball -

Please see to it that
Bill #HR 6707 is passed
before the end of the
session - It is very
important to me and to
my neighborhood. The
railroad would come right
through the main part of
town and block the road
to the Hospital in Chicago
Its -

I trust you will do a
good job for us -

Thank You,
Mrs. Florence Baldacci
