Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

Barrington does not need more
train traffic that crosses roadways.
CN should pay for grade separation
at Northwest Hwy., Rt. 59, and
Lake Cook Road. This is the only
safe way to allow additional train
traffic through Village of Barrington.

Please require extensive
mitigation from CN before they
bring additional trains to Barrington.
