Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

With 20+ trains (long freight trains) going through
Barrington daily, businesses will perish and people will suffer,
not just be inconvenienced! Underpasses and overpasses must
be provided. This is a long term investment by the railroad
and they should anticipate expenses of other things that
can be amortized over time.

Barrington is a unique community and its heritage
must be preserved.

YOUR INPUT IS IMPORTANT!
