Acquisition of the Elgin, Joliet and Eastern Railway

STB Finance Docket No. 35087

I'm totally in opposition of this purchase. It will lower our property prices and with the current housing crisis we just cannot afford such depreciation.

Also, please consider the sick people who would be in need of immediate medical assistance & they will not be able to get such help.

Also please consider the noise level increase during the day and the small children who need uninterrupted sleep during their day naps.
