Environmental Impact Statement

Comment Form

Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

I am totally against this rail road
expansion, because of the following:

Dramatic increase of pollution from
cars, trucks idling at crossings

Emergency vehicles not being able to
cross tracks

Town will die out - business will close
children not getting to school on
time.

Properties values will be affected
Country side & small town will be lost.

YOUR INPUT IS IMPORTANT!
