RE: *Escanaba & Lake Superior Railroad Company – Abandonment Petition for Exemption – Line in
Ontonagon and Houghton Counties, MI, STB Docket No. AB-415 (SUB-No. 2X)*

Dear Mr. O'Brien:

It appears that you are initiating consultation with the State Historic Preservation Office (SHPO) under Section 106 of the National Historic Preservation Act of 1966, as amended.

Section 106 requires federal agencies to take into account the effect of their undertakings on historic properties. The Section 106 regulations specify what is required for a Section 106 review [36 CFR § 800.11]. It is the responsibility of the federal agency, not the SHPO, to fulfill the requirements of Section 106. In some instances, the federal agency may delegate legal responsibility to a state, local, or tribal government. Consultants or designees contracted to prepare information, analyses, or recommendations, are not recognized as federally-delegated authorities. For your reference, a complete version of the Section 106 regulations can be found at www.achp.gov/regs.html.

The mandatory application form and instructions for submitting projects for review under Section 106 may be downloaded in MS Word format from our website at <http://www.michigan.gov/shposection106>. Please read each requirement carefully in its respective field, and respond in full. In addition, please ensure that future project submissions will utilize the application form. Incomplete applications and projects not submitted on the application forms will be sent back to the applicant without comment.

If at this time, you are seeking information on above-ground historic resources that are listed in the National Register of Historic Places or in the State Register of Historic Sites, please refer to the Michigan Sites Online website at: <http://www.michiganhistory.org/preserve/michsite/index.html>. The SHPO cannot conduct such research on your behalf. For information regarding archaeological sites, please contact the State Archaeologist, Dr. John Halsey, at (517) 373-6358.

If you have any questions, please contact Brian Grennell, Environmental Review Specialist, at (517) 335-2721 or by email at ER@michigan.gov. **Please reference our project number in all communication with this office regarding this undertaking.** Thank you for your cooperation.

Thank you for your cooperation.

Sincerely,
