Dear Sir,

The Great Lakes Basin Rail is not beneficial to the people of LaSalle County.

It will disrupt our lives with noise pollution and pollution as a whole.

I am a 62 year old who moved out here 20 years ago to get away from the city and problems.

Now G.L.B. wants to make me give up my life so they and only they can profit.

Looks like a rich money grab to me

NOTE: When an individual chooses to submit an Environmental Comment or some Other Submissions, his or her personal contact information is considered public information and is shared within and outside of STB without additional authorization.
