Board Members

I do not agree with The
CN adding more & longer trains
to The E-J+E line. It will
cause traffic tie-ups & delay
emergency response for Lake
Zurich.

If \$ has to change hands, then
the community should receive
funds to alleviate the conse-
quences of CN's acquisition.

At a minimum, more time
should be used in reviewing
this entire matter.

Thank you,
Susan Ragdale
(work full-time in Lake Zurich.)
