Transcript:

I would like to voice my opposition for this going through. We have, this town has grown a lot and we have a lot of, a lot more car traffic now and I think it will be impeding emergency vehicles that save lives, and I lived in Riverdale, Illinois years ago when there were so many trains and it is a real hassle to get out when you have to go somewhere important. So, I am voicing my opposition for this. I hope it does not go through. Thank you
